FEATURES

Progressions VCT is available in 12" x 12" tile size and is ideal for healthcare, retail and education installations.

The beautiful design and relevant colors are what truly set Progressions apart. Non-directional visuals that can be installed monolithically bring new sophistication to interior spaces. Rich neutrals, saturated hues and key primary accents offer the right color for all commercial installations.

Manufactured with post-consumer recycled content, as part of Mannington's VCT n2 VCT program. Through its LOOP initiative, Mannington reclaims large quantities of VCT and drywall from regional construction sites, recycling them into new flooring.

Progressions through pattern construction offers exceptional durability and resistance to stains, cuts and gouges even under heavy rolling loads or high traffic areas.

Cost efficiencies and ease of maintenance for exceptional value.

Superior service and stock availability.

Limited 5 Year Commercial Warranty.
